

Merge - Reason for Exam

Last Modified on 03/07/2022 1:38 pm EST

Merge - Appointment Reason

Entering the reason for the exam ensures that the patient is scheduled correctly. This is a required step when scheduling.

Note: Reason for exam should never equal the exam type.

1. Screening Mammogram Reasons:

- NO ORDER is required by the physician, select "Self-Requested Screening"

Appointment Reason	Self requested screening
Other	

- Physician REQUIRES ORDER for screening mammogram, select "Routine"

Appointment Reason	Routine
Other	

2. All Other Exam Reasons:

- All other exams, select "Other Appointment Reason" and notate the reason in the Other field
- Example:

Appointment Reason	Other Appointment Reason
Other	LOWER ABD PAIN

3. Patients who are requesting an exam with a specific Radiologist

- Select that Radiologist from the Appointment Reason drop down list, include the appointment reason in the Other field
- Example:

Appointment Reason	WRA Dr. Johnson requested
Other	LOWER ABD PAIN
