## Washington Radiology Training Tips 01/31/2025

### Dr. Allison Appointment Requests:

- We should always attempt to warm transfer to the Center first; then, if they are not available, send an email with the appointment request details.
- Please be sure to include **ALL** contacts listed for K-Street or Fairfax when sending an email requesting an appointment with Dr. Allison.

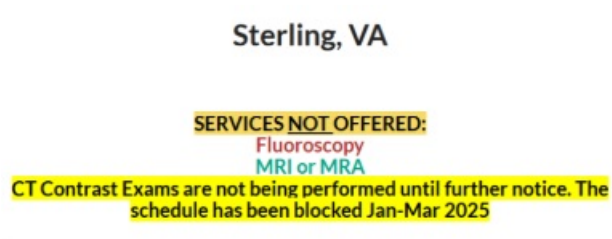

Sending the email to only one person may result in the request not being seen and responded to in a timely manner.

- This information is available in the Playbook, review it here: [General Ultrasound / Sonography Scheduling - Dr. Allison | Washington Radiology Contact Center](#)

### WITH Contrast Exams at Sterling:

- Don't forget, our Sterling office is currently NOT able to perform CT WITH CONTRAST exams until further notice.

- We will keep you informed of any updates.
