## Worker's Compensation

Effective 7/1/24, Washington Radiology is in contract with the following worker's compensation payors. Please review the information below.

- **What is Worker's Compensation?**

- A government-mandated program that provides benefits to workers who become injured or ill on the job or as a result of the job.

- **Do we accept Worker's Compensation?**

- YES for all exam types! We ONLY accept the following payors when the case is **originated in Maryland or Virginia**. DC originated cases follow a different process.
  - JAG
  - Homelink
  - Streamline
  - Premier Comp
  - Clarity

- **Required Scheduling Script:**

- "What state approved the worker's comp case? We are only contracted to see cases approved by Maryland and Virginia."
  - DC originated cases - additional information to come. For now, send an email to Leadership.

- **How to enter in Merge RIS:**

- Carrier Name is Worker's Comp payor name
  - JAG (listed in Merge as JAGWC)
  - Homelink
  - Streamline
  - Premier Comp
  - Clarity
- Policy Number is the Claim Number found on the patient's authorization form

- **Additional Information:**

- The patient MUST bring the Worker's Compensation Authorization Form to the appointment, or it can be faxed to us.
- The patient will be provided with a CD of their images at the time of their appointment.
- There is no need to wait the five days for exams that require pre-authorization.
