Logging In and Out of eRAD

Purpose: Use this guide to access and exit the eRAD system, which is used for scheduling and viewing patient information.

Logging In to eRAD

1. Locate and open the eRAD application

- Double-click the **eRAD** desktop icon:

2. Enter Login Credentials

- **System:**
 - RISProd - Production system (for live scheduling and patient management)
 - RISTrain - Training Environment (used for training and practice only)
- **User ID:** Your Active Directory (AD)/Windows Login
- **Password:** Your AD/Windows password

Your credentials for eRAD are the same as those used to log into your computer.

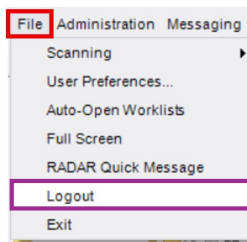

3. Click [Login]

Logging Out of eRAD

1. In the upper left corner, click "File"

2. Select Logout

3. When the login window reappears, click [Cancel] to fully exit the program
