

Select a WebRTC Softphone

Last Modified on 01/16/2026 5:16 pm EST

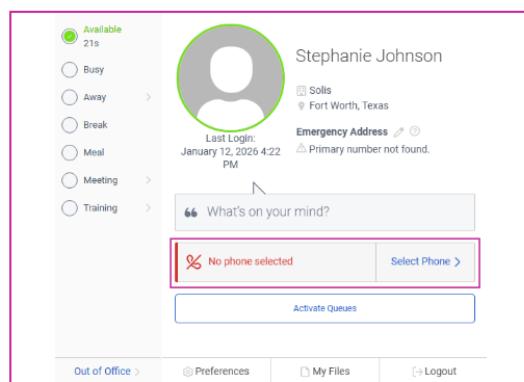

Select a WebRTC Softphone

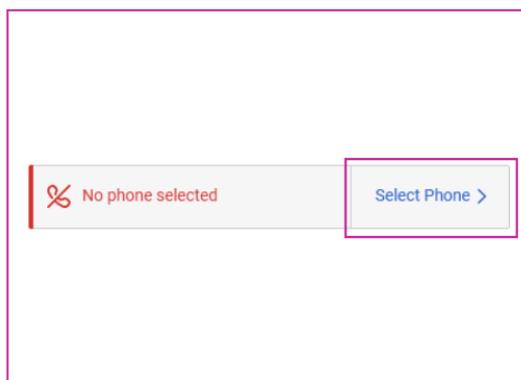

Choose your softphone if it does not populate automatically

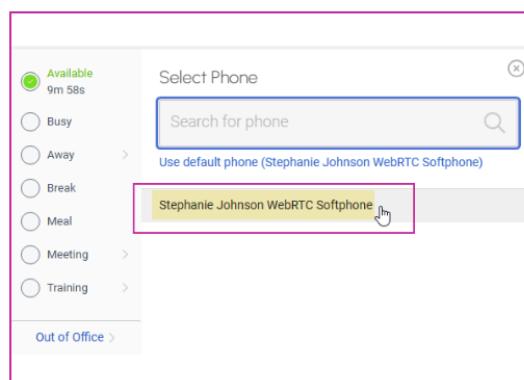

- 1 Select the **Profile** icon in the upper-right corner of your screen.

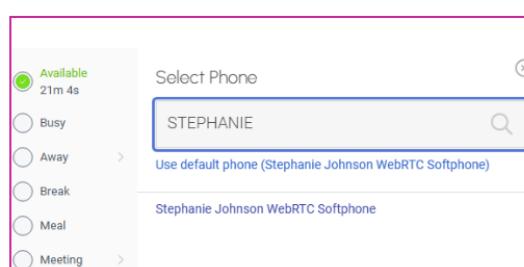

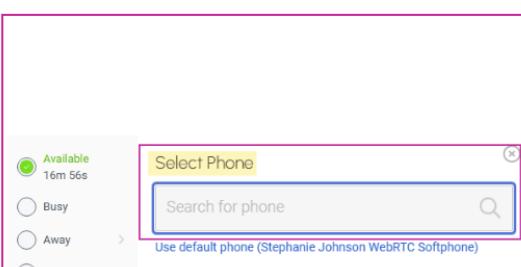

- 2 Locate the "**WebRTC Softphone**" section in your profile settings.

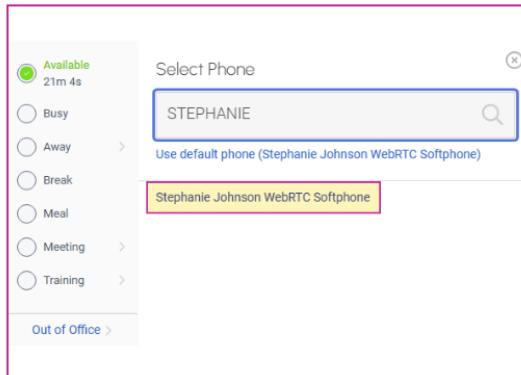

- 3 Click the "**Select Phone**" option.

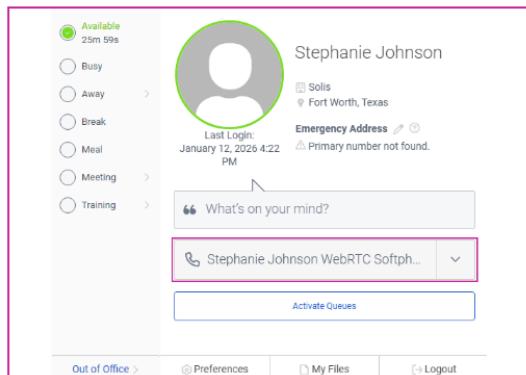

- 4 Select your WebRTC softphone from the list if it is already displayed.

5 Select the search field if your softphone is not listed.

6 Type your name to locate your WebRTC softphone.

7 Select the correct softphone from the results.

8 Confirm your WebRTC softphone displays as selected.
